"Everything went very smoothly – thank you for your help. We literally switched off for 3 weeks and were well looked after every step of the way." C.W & T.E (Sep 2011)

"Just wanted to thank you for organising our honeymoon we had a fantastic time and all the accommodation was fantastic we were given an upgrade at the Amala to the Amala Residence which was a very nice gesture.

Many thanks for all your hard work and advice, would definitely recommend your company to friends and family." H.P & J.G (Aug 2011)

"Finally arrived home and I just wanted to send you a note from us both to say a huge thanks for all your help not only during the holiday but also for all your professional assistance and guidance before we left. We had an absolutely amazing time and it genuinely exceeded all of expectations. All 3 hotels were exactly what we were looking for at each location and combined it has really been a fantastic way to spend our honeymoon.

I have to say I'm extremely surprised and very very grateful for everything you have done. This is well above and beyond anything we expected so a huge thank you from myself and Andrea.

I have already recommended you to 2 different families looking to go to Bali." S.H & A.H (Aug 2011)

"Here is some feedback on of our honeymoon. Sorry it is so long but as you did such a great job of putting this together I feel we owe you a thorough feedback!

Overall it was amazing! We loved it and are planning to go back to Indonesia again. The connections, transfers and everything were seamless, and it was so hassle free that I am not sure I want to ever backpack again. It felt very odd not having to worry about the transfers or hotels etc. So nice!

Just to end, we are so happy that we used Ethos Travel to book our trip. It felt much more personal than just going with some big agency. You dealt with the whole issue of our flights being cancelled in such a helpful and professional manner that we feel that you went above and beyond for us, and no doubt for all your clients. For our next trip to South East Asia we are definitely coming back to you!" R.P (July 2011)

"I just would like to say thank you – myself and Raj had a fantastic time. Thank you for your advice and for organising the trip – We had an amazing honeymoon, especially seeing the komodo dragons which for me was a once in a lifetime thing to do! (although only realised after the trip how quick these lizards can move after watching a few documentaries!!)

Raj is a lot more travelled than myself so I'm sure she will provide you with more detailed info/feedback on the whole trip but I felt overall this honey moon has been/will be memorable."
B.B (July 2011)

"We have never used a travel agent before as we are well-travelled & tend to prefer to do things our own way. So I was delighted at every aspect of the service from Ethos. He could not have been more helpful & really got us what feels like a great deal for your budget. I've already sent some people your way and would definitely use your services again. THANK YOU". P.S & K-H.G (June 2011)
